Attendance Expectations (From the Employee Handbook)

- You are expected to:
 - Arrive on time for your shift
 - Stay for your entire scheduled work time
- If you cannot come to work:
 - You must call your supervisor as soon as possible
 - The call must be made no later than 2 hours before your scheduled start time
 - You must call in each day you are scheduled but unable to work

⚠ Contact your direct Supervisor — NOT your Team Lead.

- Excessive absences or tardiness may result in discipline, up to and including termination
- For full details, see the [Teammate Handbook](#)

Attendance Escalation Process

No Call / No Show

A No Call / No Show means you did not come to work and did not notify your supervisor.

- Your supervisor will attempt to contact you
- If no response is received:
 - A 24-hour job abandonment notice will be issued
- If 24 hours pass with no communication:
 - You will be terminated for job abandonment
- If you respond:
 - You will receive a first and final warning
- If you have another No Call / No Show within 6 months:
 - You will be terminated

Tardiness or Leaving Early Without Approval

What Counts as Tardy

- You must be in the store, checked in with your Team Lead, and ready to work at your scheduled start time
- Tardiness begins 5 minutes after your scheduled start time

Escalation

If you arrive late without notice or leave early without authorization:

- First offense — Attendance policy reminder
- Second offense — Verbal warning
- Third offense — Written warning
- Fourth offense — Final written warning
- Fifth offense — Termination
- Failure to give proper notice when you cannot work or need to leave early will result in an immediate write-up if supervisor approval was not received
- Leaving before work is completed without permission will be considered job abandonment and may result in termination

Offense counter resets after 12 months with no incidents.

If you have questions about this policy, please speak with your supervisor.
