

Standard Operating Procedures (SOP)

Spring 2026 Edition — Effective May 1, 2026 — Owner: April Gauthier, Supervisor, Eastern Washington

Daily Supplies

Bring the following items every day:

- Pen
- Highlighter
- Dark-colored permanent marker
- Scissors
- Tape measure
- Step stool (if needed)
- Knee pads or a kneeling pad (optional but useful)

Arrival & Setup

- Arrive early enough to:
 - Enter the building
 - Check in with your Team Lead
 - Be clocked in by your scheduled start time
- Gather needed items:
 - Shopping cart
 - Trash bag
 - Cleaning supplies

Reset Procedures

Pre-Reset

- Verify you are working on the correct set and location (ask your Team Lead if unsure)
- Review the POG and Kompass notes
- Pull all discontinued items (commonly called “disco” items)

During Reset

- Remove old shelf strips and install new strips as needed (you may not receive strips for the entire set)
- Measure shelf heights on every set, every time
- Clean while resetting:
 - Full Updates: clean all shelves
 - NII / Maintenance Sets: clean open shelving only
- Reset products per the POG, keeping the old tag with the product when moving items
- Set the correct number of facings

Tag Placement

- Place the tag flat on the LEFT side of the strip, covering the printed product info underneath

- Replace the tag only if the new tag has a newer date
 - If not, leave the old tag in place

 **At every stage of the reset, the tag travels with the product.**

When the product moves to the shelf, the tag goes with it — placed flat on the LEFT side of the strip, covering the printed product info underneath.

Post-Reset

- Label and store all Not in Set / Backstock items correctly
- Check the Kompass cart for new items
- Clean the area: trash in bags, cardboard disposed of properly
- On the POG, highlight any items missing tags
- Return the highlighted POG to your Team Lead, who will pass it to the price changer to have the missing tags made
- Report major issues to the Team Lead immediately
 - The Team Lead will raise concerns to the Supervisor
- Communicate minor issues when returning the POG to the Team Lead

Electronics & Personal Devices

- No music-playing devices on the sales floor
- No earbuds or headphones on the sales floor
- Cell phones must:
 - Be kept on silent
 - Be used only for business purposes

Workplace Expectations

- Maintain professional language and appropriate workplace conversations at all times
- Keep aisles shoppable
 - If using multiple carts, move carts that aren't actively being worked to nearby aisles or main walkways
 - Always leave space for customers
- Customer assistance:
 - Help when able
 - If unable, politely find a Fred Meyer associate to assist
- Food, drink, and tobacco:
 - No eating or drinking on the sales floor or in the backroom
 - No tobacco use on Fred Meyer property, including smokeless tobacco
